**This is a message from the State Water Resources Control Board.**

*Below is an announcement from the Department of Water Resources:*

This email is to remind you of the Listening Sessions scheduled on the Water Conservation Legislation, AB 1668 (Friedman) and SB 606 (Hertzberg), to be held September 5, 7 and 11. Our [webpage announcement](#) has been updated with additional location details, the meeting agenda and handouts. Participation via webinar or conference call will only be available in the Sacramento location session held on Wednesday, September 5, 2018. This session will be recorded and made available for those not able to attend in-person.

The California Department of Water Resources, State Water Resources Control Board, California Public Utilities Commission and California Department of Food and Agriculture will take comments at each session on the [Making Water Conservation a California Way of Life: Primer of 2018 Legislation of Water Conservation and Drought Planning](#) Public Review Draft. Comments may also be submitted no later than 5:00 PM on September 14, 2018 to [WUE@water.ca.gov](mailto:WUE@water.ca.gov).

Presentation slides will be made available as soon as possible. Please keep checking our webpage announcement, as linked above, for any additional posting of materials. An agenda is attached for your convenience.
